Dear Selectmen:

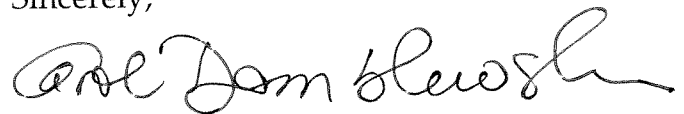

The Friends of the Acton Libraries would like to hold our annual June book sale on Saturday, June 7, 2003. As you know, this popular annual event benefits our school and town libraries.

We would like to hold this sale on the library front lawn, as we did last year. There will be no tent. We will begin setup as early as 6:30 A.M. on Saturday morning and hope to have everything completely cleared away by 5 P.M. (though we are somewhat at the mercy of table-rental company).

May we also please request June 14 as a backup date in the event of rain?

If you have any questions, I can be reached during the day at 263-2046.

Sincerely,

Carol Domblewski
President
Friends of the Acton Libraries
